Summary

Scott Genius 2013/2014 replacement cable guide

[Sports & Outdoor](#) > [Outdoor Sports](#)

Tags: [thingiverse](#) [cableguide](#) [scottgenius](#)

Completely re-designed the model to have a more original look-a-like and an improved fit.

On the photo you can see the printed cable guide on top and the original cable guide on bottom.

Took this idea from GeestoPlastico's model. Though I did not reuse any parts of his model, credits go to him.
