A filament spool holder designed to be mounted on a wall or inside an enclosure box. 2 x 1.5mm screws needed.

Print one base and 2 arms. Supports not needed You then need to glue the arms to the base. Use super glue for PLA or acetone with ABS.

Radius of the spool pipe is 10mm (20mm diameter). The end plugs are for pipes with an inner diameter of 8.5mm. Print 2 plugs.
