Summary

A writing utensil holder is to be used with a compatible prosthesis arm. It will secure pens, pencils, and brushes.

[Healthcare](#) > [Home Medical Tools](#)

A writing utensil holder is to be used with a compatible prosthesis arm. It will secure pens, pencils, and brushes. It features a ball-bearing cavity for reduced friction with paper and wrist support for prolonged writing/drawing/painting periods of time.

It is also needed:

4xM6 1.6mm screws to attach to prosthesis

1 x8mm diameter ball bearing
