Summary

Designed for sr80e, should fit GRADO SR125, SR225, SR325, SR60, SR80, SR80e, 90mm round pads with a lip should work

[Gadgets](#) > [Audio](#)

You can flip model to adjust driver to ear distance, there is a slack for internal diameter(54mm) so it can be glued with hot glue and removed with ipa if needed. Earpad thickness matters, so adjust accordingly, variant on the photo worked best for me. I included oval adapter, it sized to no name gaming headset 84x100mm pads, hope you find it useful.
