Summary

I slightly modified the hole spacing of the original model from @Yangorang

[Household](#) > [Garage](#)

Tags: [tool](#) [toolholder](#) [toolstorage](#) [milwaukee](#) [wurth](#)

I slightly modified the hole spacing to fit wurth tool wall.

Recomend print is PETG 5 - perimeters 20%infill

I mount it on this: <https://eshop.wuerth.cz/Kategorie-produktu/Zakladni-deska-system-derovanych-desek/31462007130101.cyid/3146.cgid/cs/CZ/CZK/>

To mount and use this: <https://www.printables.com/cs/model/830149-tool-holder-for-square-perforation-base-plate-wurt>

Screw 4mm

This remix is based on
