### Summary

A lightweight drawer to store some flat items below the Neptune 4 / Neptune 4 Pro.

[3D Printers](#) > [Accessories](#)

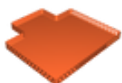

Tags: [drawer](#) [neptune](#) [elegoo](#) [neptune4](#)

I printed the model with 0 top- and bottom layers and 20% rectilinear infill.

Tested with Neptune 4 Pro. In case you are using another printer, measure first, to ensure there is enough space for the drawer.
