### Summary

Card wagon for table games. I made this for Canasta but can be used for other games.

[608bearing](#) [canasta](#) [deck](#)

I made this for Canasta but can be used for other card games. It holds 4 full sized decks with the cover on and 3 full sized decks on one side with the cover removed.

- Axles and Tires are friction fit onto the 608 Bearing and into the Wagon.
- Pictures show a fuzzy skin added to the cover.

Print the below quantities. The Axles and Tires are optional.

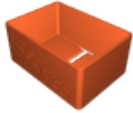

- 1 x Wagon
- 1 x Cover
- 4 x Axle
- 4 x Tire
