## Summary

Centercap for aodhan wheels (DS02 originally) to allow room for the stub to protrude through the wheel face

[Hobby & Makers](#) > [Automotive](#)

Tags: [centercap](#) [hubcap](#) [aodhan](#)

Centercap for aodhan wheels (DS02 originally) to allow room for the stub to protrude through the wheel face as the original would have required a hole be drilled into it.
