Los Angeles Dodgers Earrings

No AMS Needed Just color swap at layer.

Check out my large selection of earrings.

Colors used

Blue - Bambu Basic PLA Blue

Red - Bambu Matte Scarlet Red

White - [Elegoo PLA white](#)

Parts

Below are links to Items I use for my Earrings. They are affiliate links but I do use them often.

STLs

In Bambu Studio load all STL's at one time. It will ask "Load these files as a single object with multiple parts?". Click yes. Than right click on each object and click the color for that object.

Or pause at the desired layer height to change colors.

Bambu Studio Files

Included is the studio print profile file.

These files are designed to be used with an AMS.

Please "Like", review, follow and upload make.Commercial license

As of 2/25/24 my designs are no longer allowed to be sold commercially.

Do you want to sell prints of this model or any of my models? You can purchase commercial licensing at [Patreon](#) or Buy Me A [Coffee](#).

Earring Commercial Liscence is just \$3 a month. A full commercial license for all of my designs is just \$7 a month.
