### Summary

Protective and Ergonomic case for your RG35XXH

[Gadgets](#) > [Video Games](#)

Tags: [case](#) [grip](#) [h](#) [anbernic](#) [rg35xx](#) [35xx](#) [35xxh](#)  
[rg35xxh](#)

Print this with the top side of the clip down. I printed with supports with a 10% support angle threshold. You shouldn't need a brim depending on your plate, but I printed previous versions with a brim just to be sure! Feel free to get this directly from me here:
