## Summary

A Steam Deck Holder / Mount for the Honeycomb Storage Wall system

[Hobby & Makers](#) > [Organizers](#)

Tags: [steamdeck](#) [honeycombstoragewall](#) [steamdeckstand](#) [hsw](#) [hswholder](#)

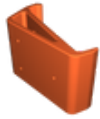

This is my version of a Steam Deck mount for the Honeycomb Storage Wall system.

Print it as you like with your default settings. I always used ABS, 3 Walls, and about 15-20% cubic infill and a 0,4-0,6mm nozzle.

Prints without support.
