I designed this to organize and hang my wife's earrings.
It is 200mm x 200mm x 12mm, and can hold up to 24 pairs of earrings.
The gap between earring rows is ~63mm, so longer earrings are hung on the bottom row.
The four mounting posts are dimensions for size #8 screws and include countersinks.
No additional posts/support are added.

I hope you enjoy this as much as my wife is!
