Summary

crab with a gun

[Toys & Games](#) > [Building Toys](#)

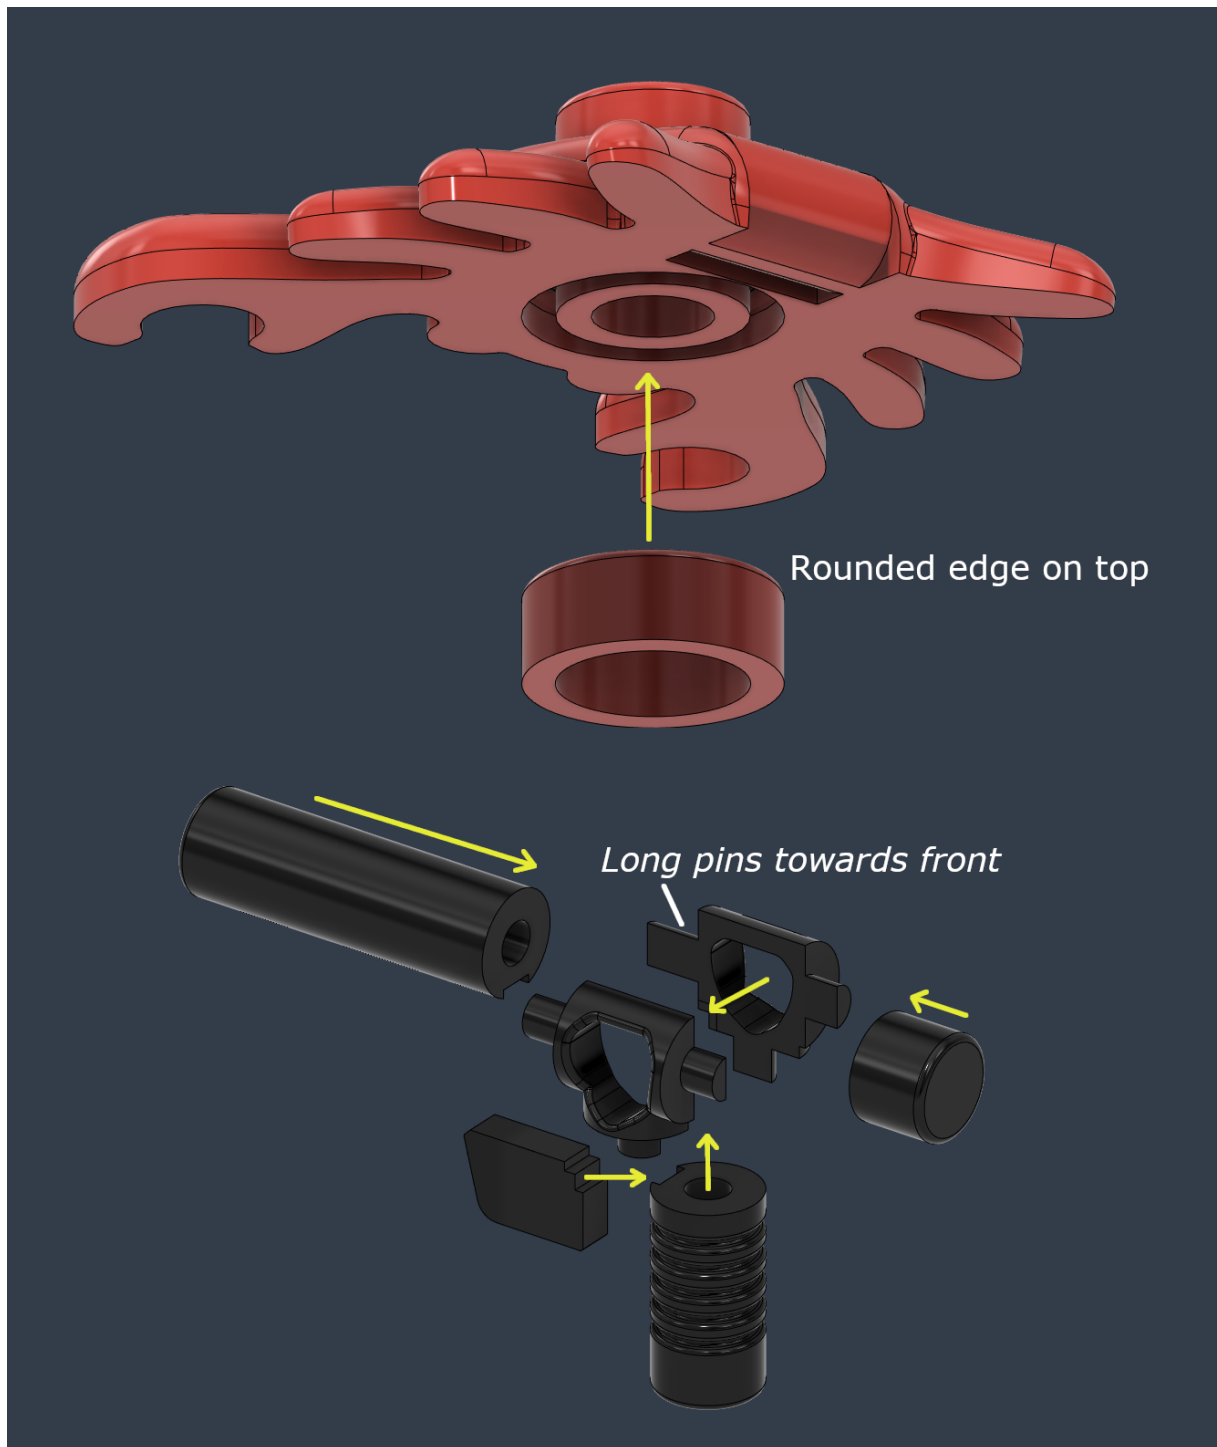

Tags: [lego](#) [crab](#) [crabwithagun](#)

crab, gun, crab with a gun.

This is a giant version of the lego crab, holding a minifig hose nozzle (AKA, gun)

All parts are oriented correctly for printing, and should print without supports. Press fit together after printing, glue can be used for a more solid connection if needed. Infill is up to you.

Assembly:

(And of course, this was inspired by IXRolloutIX)

Enjoy! crab with a gun.
