## Summary

Quote by Dr. Maya Angelou

[Art & Design](#) > [Other Art & Designs](#)

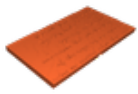

"We all should know that diversity makes for a rich tapestry, and we must understand that all the threads of the tapestry are equal in value no matter what their color."

- Dr. Maya Angelou

This art piece was made as a gift for a friend who really loved this quote. Using a simple random wave pattern, I employed layer based color changing to create this print. It should be possible on any printer, not just those with multi-color capability. Use the provided 3mf file, or make your own.

It can be hung on a wall, or stood on a table using the provided leg, which slides into a slot in the back of the print.
