This is my second project of GoPro case insert. The first one can be found here: <https://www.printables.com/model/602754-organizer-insert-for-gopro-case-and-charging-insid>

I design this new one so I can keep my new insta360 X4 and its extra battery in the same case. this new design also use less thick wall to save material and weight.

This insert is capable to keep:

- 1 GoPro11/12,
- 1 max lens mod 2.0,
- 1 Insta360 X4,
- 1 X4 extra battery,

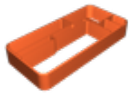

1 TELESIN Battery case (which can store 3 GoPro batteries)
and space for 1 cable and 2 accessories.

Please see my latest version in here: <https://www.printables.com/model/937447-gopro-case-insert-for-gopro-1112-and-insta360-x4-v>
