Summary

This mounts a Bosch Ignition coil to a Volvo B230 valve cover

[Hobby & Makers](#) > [Automotive](#)

This bracket mounts a Bosch ignition coil to the rear of a B230 valve cover. It needs to be used with 4 75mm valve cover studs, and 4 socket headed bolts to mount the coil. The coil mount holes in the bracket are sized to fit M6 heat set inserts but nuts can also be used instead.
