Summary

Injector EpiPen cosplay medical device no supports

[Costumes & Accessories](#) > [Props](#)

Tags: [cosplay](#) [doctor](#) [lab](#) [medical](#) [injector](#) [medic](#)
[treatment](#) [medkit](#) [surgery](#) [epipen](#)

An injector/epipen for cosplay or similar. You can scale it acc. your needs.

Looks best if you add a second color.

Printable without supports.

Its hollow.
