## Summary

Does your 13 figure want to join a crusade for the Emperor, but he has no weapon to do it? Here is your solution!

For easier print, I uploaded a split version. You will only need to print it suportless and use superglue.

Print it in good quality to be able to see the teeth of the chainsword.

Also, if it's hard to make the hand fit, use a hand remix for an easier grab, or cut the closest part of the handle.

If there is any problem or anything I can improve, please let me know.

Enjoy!
