Summary

A box to store 32 exploding kittens cards (enough for the 2 player version).

[Toys & Games](#) > [Board Games](#)

Tags: [cardbox](#) [explodingkittens](#) [playingcards](#) [playingcardbox](#)

A box to store your exploding kittens cards + manual in.

The box holds about 32 - 50 cards, (enough for the 2-player version), and has a closing system designed to look like a 'nope card'.

Printed on a Neptune 4 Pro, with Elegoo red + black filament.

15% infill, and ironed top (for the main case).

1 color change required for the card.
