Revamp Barbie's dining scene with this sleek and trendy 3D printed accessory set. Crafted to print seamlessly without supports, these models are perfect for any 3D printing enthusiast looking to add a touch of flair to their doll collection.

1. Plate
2. Glass
3. Pitcher
4. Serving Tray
5. Cup
6. Milk Carton

Each piece in this set is meticulously designed to print with a 0.2mm layer height and a 0.4mm nozzle, ensuring smooth and detailed results with every print. From the serving plate for the most exquisite spreads to the

pitcher for pouring refreshing drinks, this set includes everything needed to create a realistic dining experience for your Barbie dolls.
