If you don't know who The Cybertronic Spree are, please visit their [youtube channel](#).

I designed this to match the logo as closely as I could. there are two versions of the logo. cybertronic_spree_1 prints flat with no supports and does not have a background. cybertronic_spree_2 has a 1mm cutout for a separate back plate and requires supports. the back plate allows you to change the color of the eyes, mouth and crown.

both models are about 120mm (4 3/4 inch) tall and 98mm (3 7/8 inch) wide and 7mm (1/4 inch) deep
