The Peacock Miraculous is a **brooch** that, whenever **Duusu** inhabits it, transforms the **wearer** into a peacock-themed superhero with the power of Emotion.

To activate the brooch, the user must speak the transformation phrase: "Spread My Feathers". To deactivate the brooch, the user must speak the detransformation phrase: "Fall My Feathers".

The brooch is currently owned by **Gabriel Agreste** who uses it to transform into Shadow Moth by unifying it with the **Butterfly Miraculous**. It is sometimes lent to **Nathalie Sancoeur**, who uses it to transform into Mayura. They use it for evil purposes. In the past, it was used by **Emilie Agreste**, who fell into an endless sleep.

I dont know what any of these words mean... my kids made me make it.
