updated 6. 5. 2024 | published 6. 5. 2024

## Summary

Files to print the case for the SlimmeLezer+ with external antenna yourself.

[Hobby & Makers](#) > [Electronics](#)

Tags: [zuidwijk](#) [slimmelezer](#) [smartmeter](#) [smartreader](#) [slimmemeter](#)

Material: PLA  
Nozzle: 0.4mm  
Infill: default (I choose 100% for more sturdyness)  
Layer height: 0.2mm  
Support: no  
If possible: single wall first layer
