A foldeble MacBook Air stand that is easy to take with you.

To assmeble this print you need:

1x M3, 180mm, threaded rod .

2x M3, 30mm, screws.

6x M3, nuts.

When assambling the stand i have used 2 nuts on each side to lock the threaded rod in place. You may need double-sided tape to attach a thin mousepad to the underside of the frame to prevent slipping on the table.
