updated 10. 5. 2024 | published 10. 5. 2024

Summary

A nice smiling TPU stick figure to brighten up your day :)

[Toys & Games](#) > [Action Figures & Statues](#)

Tags: [test](#) [stick](#) [person](#)

print with 20 percent infill

layer height 0.2/0.1 for more detail but it will take longer

no support

outer wall speed 45.0 mm/s

inner wall speed 80.0 mm/s

should take about 30 min depending on layer height and speed of printer.

also sorry for bad pic
