### Summary

The gasket that goes between the case and the starter on an HD Sportster

[Hobby & Makers](#) > [Automotive](#)

Tags: [harley](#) [gasket](#)

This is a starter gasket for the ole HD Sportster.  
I didn't want to wait for shipping so I drew one up and printed it from TPU.

This can also be used as a pattern for the laser to cut one out of a proper gasket material.
