This offers a sleek, custom-designed hubcap-style cover specifically tailored for the Chicco Bravo stroller. It seamlessly integrates a discreet and secure compartment to house an Apple AirTag, ensuring you can effortlessly track your stroller's location without compromising on aesthetics. The design is not only functional but also adds a touch of elegance to your stroller, blending perfectly with its overall look. Easy to install, this hubcap cover provides peace of mind, combining style, security, and innovation to enhance your Chicco Bravo stroller experience.

Print with tabs facing up and using 3 raft layers to insure consistency of texture on the surface.
