An old character sculpt from my student days. Always wanted to print this one for myself.

Then I remembered I have a 3D printer.

Original sculpt by me.

SJBUILDS 2021

My Printing Settings:

Printed on an Anycubic Mono X

Resin: Anycubic White/Grey mix Resin

Resin Volume: 198.666ml

Print time: 9:00h

Disclaimer:

All the things I make, I make for me and me alone. If you happen to enjoy

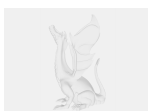

what I have made, that's fantastic, and feel free to download and share with attribution.
