This is a highly detailed sculpt of the Imp from Doom Eternal. The base model was ripped from the game and the high res detail was manually resculpted by me, based on the character normal and albedo maps.

The pose was manually rematched to the default idle pose of the character from the game.

My Printing Settings:

Printed on an Anycubic Mono X  
Resin: Anycubic craftsman Grey Resin  
Resin Volume: 185.886ml  
Print time: 6:15h

Category: Creatures
