ENG: Dragon skin with scales at 45 degrees and new version with new design and individual joints to join different parts together

ITA: Pelle di drago con scaglie a 45 gradi e nuova versione con nuovo disegno e incastri singoli per unire diverse parti tra loro

UPDATE 2025

ENG: The new model is a piece of 81 scales with the possibility to join several parts together with clips to be printed individually.

Improved in weight, less filament consumption and a single circular brim that allows better post-print removal. This model is also more flexible and creates less friction in the folds.

ITA: Il nuovo modello è un pezzo da 81 scaglie con la possibilità di unire più parti tra loro con le clip da stampare singolarmente.

Migliorato nel peso, meno consumo di filamento e un brim circolare singolo che permette una migliore rimozione post stampa. Questo modello è anche più flessibile e crea meno attrito nelle pieghe.
