Summary

Part one of my work on making a functioning (similar to Desteiner's Prop Revolvers) Fallout New Vegas Ranger Sequoia!

This is the first step in my work to design a functioning prop revolver based on the Fallout New Vegas Ranger Sequoia! This is a accurate, 1:1 scale 45-70 Gov't cartridge, which is the ammunition used by the in-game weapon. I designed this to help me get a scale for reference photos and dimensions.

Happy Printing!
