Tento model není určen pro MMU multimateriálový tisk, ale pro ruční výměnu materiálu a změnu barevnosti filamentu po vrstvách.

This model is not intended for MMU multi-material printing, but for manual material replacement and filament color change layer by layer.

Just two variants of sets of earrings, brooch and window decoration for my beloved little sister and for you.

First colour: white

Second colour: yellow

Third colour: blue

The last colour: black

or... whatever you want.
