Summary

This is a simple stand that lets you display a plaque or a picture frame.

[Household](#) > [Other House Equipment](#)

Tags: [stand](#) [picturestand](#) [plaquestand](#)

This is a simple stand to display a plaque or picture frame that cannot stand on its own.

As shown, it is printed in PETG with 20% infill and 3 perimeters, but it would likely print just fine with default print settings and PLA.
