Summary

Made mostly for kittens and hangs in most types of kennels. :)

This cat food/water hanger is mostly made for kennels, although you can use it in many other places. I use a container for my cats, but you can even just put the food or water right in. For best results, you will need to use supports while printing.

PLEASE TELL ME if this file doesn't fit your kennel, is too small, or needs a different type of way to be hanged!
