

## ALU Profile T8 / 8020 Cable clip

P--JawZ--K

[VIEW IN BROWSER](#)

updated 20. 6. 2024 | published 20. 6. 2024

### Summary

Needed some cable clips. Current ones where either to large, required support or not well designed overall.

[Hobby & Makers](#) > [Mechanical Parts](#)

Tags: [cable](#) [clip](#) [extrusion](#) [support](#) [no](#) [nosupport](#)  
[8020](#) [profile](#) [4040](#) [alu](#)

Both a 3mf and step file are available, for end user customization and just plain printing as is.
