### Summary

Drip bracket for the Elegoo Mars 5 & 5 Ultra, tested on M5 Ultra version.

[3D Printers](#) > [Other Printer Parts & Upgrades](#)

Due the new printing platform design for the Elegoo Mars 5 Series clean the resin could be more difficult.

This drip bracket could help to recover a big part of the non-used resin and reduce the time to clean the platform.

Print with strong infill and at least 4 perimeters.
