### Summary

This is a flat mount that you can use with your GoPro to attach it anywhere!

---

[3D Printers](#) > [Accessories](#)

---

This is a flat mount that you can use with your GoPro to attach it anywhere! My example uses command tape to attach it into my 3d printer, to record timelapses. There are also some screw-holes that allow fixed mounting somewhere.

Printed on Flashforge Adventurer 4

No Raft

25% Hexagon Infill

2 Walls

Printed at 96% scale
