[Hobby & Makers](#) > [Automotive](#)

Tags: [car](#) [audio](#) [speaker](#) [pod](#) [component](#) [caraudio](#)  
[ctsounds](#)

Designed for the [CTsounds meso 5.25 component set](#)

.step included so you can modify for any speaker .

Designed to be covered in fabric

pretty much maxxxed out the Bambu x1 carbon build plate :)

Don't mind the filament change right at the end in photos :)
