Cactus Container - No.1 - Tall Boy

These cactus containers unscrew to reveal the secret storage pot underneath!

I wanted to create something stylish and funky to put on my desk at work but also serve a purpose - they look best in pastel colours or really vivid colours! I have shown a set that I have colourised with the "minions" theme of black ,blue and pastel yellow

The small size are scaled to 40% - Do not scale lower than this, I have tested them and the model starts to loose its appeal!
