Summary

These are border pieces for the photo background panels by @TripleGWorkshop

[Gadgets](#) > [Photo & Video](#)

Tags: [photo](#) [photography](#) [background](#)

These are border pieces for the photo background panels by @TripleGWorkshop which allow for a gap-less box when creating a photography background using their panels.

Set includes three varieties of edge-strips to avoid visual repetition and a corner piece which can be rotated for variation.
