Summary

Tool hanger for Veneta Cucine Kitchen

[Household](#) > [Kitchen](#)

Tags: [tool](#) [hanger](#) [veneta](#) [cucine](#)

The original tool hanger for my kitchen did cost too much, so i designed my own, and fits perfectly.

I suggest you to print vertically 0.2mm with 3 perimeters to increase strength.

I plan to do other things for my kitchen with the same hookable style, like a paper roll dispenser or something similar, so stay tuned
