Summary

A guitar pick with the Canadian maple leaf.

Tags: [guitar](#) [canada](#) [guitarpick](#) [maple](#) [mapleleaf](#)

A pick with the red maple leaf on it.

You could print it in solid red, but it's much nicer if you switch filament mid print.

There are 2 versions

- With the leaf only on one side;
- With the leaf on 2 sides. This results in the whole pick being jankly printed as an overhang, but with a .15 layer and a well tuned printer it can be consistently printed without issues.
