It's almost Independence Day here in the US and that means it's time to dress up the [Giant Snowman Fidget](#) for the occasion. (Everybody keeps their Giant Snowman on display year round, right?) What better way to celebrate the holiday than a patriotic Uncle Sam style hat!

### Assembly Notes:

The star inserts can turn out a little rough, so you may need to post-process them a bit. I'd print out a test of both the stripe insert and the star insert; you may need to adjust them to 99% so they fit a little better.

Fusion 360 model included if you would like to make any changes.

Thanks for reading and I'd love to see your makes!
