This is an insert for the card game Harbor.

It can be printed without supports.

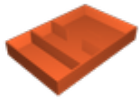

The section for the resource tiles they have to go in that specific configuration.

The meeple section is a little tight, but they will all fit in side by side with enough room for each one to wiggle. They just have to be oriented correctly.

The card section includes a little cutout to make it easy to grab all the cards.

This insert fits in the box as normal, and with everything in the box, the lid closes all the way and is not raised.
