updated 1. 7. 2024 | published 1. 7. 2024

Summary

Another classic: This puzzle is on the easier side, but is still quite difficult.

Tags: [puzzle](#)

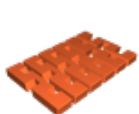

Another classic: This puzzle is on the easier side, but is still quite difficult.

The tight tolerances are designed to prevent it being forced together

Images show the pieces needed and the final assembled puzzle

If needed i can provide the solution.
