### Summary

As simple as it is - hold your glass wall to the bathtub

[Household](#) > [Bathroom](#)

Tags: [bath](#) [screw](#) [hold](#) [glass](#) [shower](#) [crew](#)

I had a need to create a holder for my glass wall in the bathroom so my kids could not move the first of two glasses which are located on my bathtub.

There fore I created this simple holder which is then screwed to the bathtub :).

Hope it will be useful for any of you.

PRINT DETAILS:

I printed it with ABS having the model rotated in the Y axis by 37% to give it more strenght.

If you would like to support me - you can [buy me a coffee](#) :)

Also if you liked the model - share photo of your print <3

Check out my other models [HERE](#)  
and definitely go check my [Etsy profile](#)!

Any feedback will be highly appreciated!

Have a great day!
