I ordered an assortment of cable ties in various sizes but didn't have a place to store them. so i designed a holder with old pen holders in mind. just a little higher! It holds 100,150,200,250,and 300 mm tie wraps and is 270 mm high so you need a printer which prints this high!

### Print Settings

#### Printer Brand:

Deltaprintr

#### Printer:
