Summary

designed to hold an incense stick at an angle to allow the ashes to fall neatly into the tray. The sleek design adds a t

[Household](#) > [Living Room](#)

Printing Details:

- **Material:** PLA
- **Layer Height:** 0.15-0.2 mm
- **Infill:** 10-15%
- **Supports:** No supports needed
- **Bed Size:** Suitable for a printer with a bed size of 220 x 220 x 250 mm

Printer Used:

- **Model:** Anycubic Kobra 2 Neo

Design Features:

- **Angle:** The incense stick is placed at an angle to ensure optimal ash collection.
- **Easy Printing:** Designed for easy printing with no supports required.
- **Elegant Look:** The minimalistic design fits well with various interior styles.

Printing Tips:

- Ensure your bed is properly leveled for optimal adhesion.
- Adjust the infill percentage based on your preference for sturdiness.
- Use a slow print speed for the first layer to ensure good bed adhesion.
