Summary

A replica of the winter nautilus balisong for practising tricks.

[Costumes & Accessories](#) > [Props](#)

A 1:1 replica of the winter nautilus balisong. All parts can be printed without support material. I recommend printing with 100% infill as it gives the best weight for doing tricks with. The building instructions are in PDF format and can be downloaded in the files section.

Additional hardware needed:

2 M2x10 bolts
