updated 1. 7. 2024 | published 1. 7. 2024

Summary

Added a shell waste container

[Gadgets](#) > [Other Gadgets](#)

Tags: [egg](#) [eggholder](#)

Hint: Due to design with the low slopes and my savings of most supports → the print is not so clean!

FUSION file is included so you change that as you want :)!

This remix is based on

Egg cup storage
